

## RECYCLING TRANSFER STATION - 95 Cedar Street

The following procedures and fee schedule are in effect at the Milford Transfer Facility. The purchase of permit will allow the individual to dispose of the following items with no additional disposal fee: grass, leaves & brush. From **(May - November)**, residents can dispose of latex and/or oil based paint. Paint disposal costs \$2 per gallon-sized container and \$1 per quart- or pint-sized container. Residential disposal only - no commercial. Disposal of motor oil in clear containers is also included with permit. The cost for this permit will be \$25.00 per vehicle and \$10.00 for each additional vehicle registered in the same family for residents of Milford. **A fee of \$25.00 for non-residents that pay a Milford Property Tax.** Due to the limited disposal area we must discontinue the use of this facility for NON Residents, Commercial and/or other Business purposes. Below is a list of items that will be accepted at this facility with a disposal fee. Please note large awkward items such as oil tanks, swing sets, etc. must be cut up and dismantled. **Cash will NOT be accepted at this facility. Checks ONLY please.**

### See Fee Schedule Below

All other vehicles not mentioned in fee schedule will be viewed and assessed by the attendants. This facility is for **"RESIDENTIAL USE ONLY"**.

### Items not accepted:

No large auto parts such as car bodies, boat parts, etc.... toxic waste, pathological wastes, animal carcasses, no rocks or boulders, cement, bricks, asphalt or tree stumps. **No commercial or industrial waste.**
