Large Scale Solar Energy System <sup>1,22</sup>		O	O	O	O	O	P	O	O	O	P	P	P

<sup>22</sup> Solar Energy System subject to the requirements of Section 3.15 herein. ”

AND BY ADDING the following new Section 3.15 Solar Energy Systems:

3.15 Solar Energy Systems – It is the purpose and intent of this Section 3.15 to provide for Solar Energy Systems by establishing standards for the placement, design, construction, operation,

monitoring, modification and removal of such systems to address public safety, minimize impacts on scenic, natural and historic resources and to provide adequate financial assurance for the eventual decommissioning of certain such systems.

3.15.1 Small-Scale Solar Energy Systems as provided for in Section 2.3 Use Regulation Schedule of this By-Law may be installed as roof/building-mounted or as ground-mounted systems subject to the following development standards:

3.15.1.1 Capacity - Small-Scale Solar Energy Systems shall have a maximum rated nameplate capacity of less than 25 kW DC. For the purposes of this Section 3.15 the rated nameplate capacity shall mean the maximum rated output of electric power production of the solar energy system in Direct Current (DC).

3.15.1.2 Permit/Site Plan Requirements – A building permit shall be required for the installation of all small-scale roof/building-mounted and ground mounted systems. In addition to a building permit, Site Plan approval must also be received from the Planning Board for small-scale ground-mounted systems, however Site Plan approval is not required for small-scale roof/building-mounted systems.

3.15.1.3 Dimensional Requirements - Small-Scale Solar Energy Systems shall comply with all requirements of Section 2.5 Intensity of Use Standards of this bylaw except that there shall be no reduction in yard requirements as applies to certain accessory structures; except that the maximum height for a ground-mounted system shall be six (6') feet; and further, that such ground-mounted systems shall be included in the calculation of required Minimum Open Space.

3.15.1.4 Installation – Small-Scale Solar Energy Systems shall be permanently structurally mounted on either the ground or on a building.

3.15.2 Large-Scale Solar Energy Systems as provided for in Section 2.3 Use Regulation Schedule of this By-Law may be installed as roof/building-mounted or as ground-mounted systems subject to the following development standards:

3.15.2.1 Capacity - Large-Scale Solar Energy Systems are those systems that have a minimum rated nameplate capacity of at least 25 kW DC. For the purposes of this Section 3.15 the rated nameplate capacity shall mean the maximum rated output of electric power production of the solar energy system in Direct Current (DC).

3.15.2.2 Permit/Site Plan Requirements - A building permit shall be required for the installation of all large-scale roof/building-mounted and ground mounted systems. In addition to a building permit, Site Plan approval must also be received from the Planning Board for all large-scale roof/building-mounted and ground mounted systems.

3.15.2.3 Dimensional Requirements - Large-Scale Solar Energy Systems shall comply with all requirements of Section 2.5 Intensity of Use Standards of this bylaw, except that there shall be no reduction in yard requirements for a ground-mounted system as applies to certain accessory structures. Further, such ground-mounted systems shall be included in the calculation of required Minimum Open Space unless installed above paved off-street parking spaces sufficiently elevated so-as not to obstruct the use of and access to such parking spaces. The maximum height for a ground-mounted system shall be ten (10') feet, except that

elevated installations over parking spaces shall have a maximum height of eighteen and one half (18.5') feet.

3.15.2.4 Installation - The system shall be permanently structurally mounted on the ground or on a building.

3.15.2.5 Operation & Maintenance Plan - The project proponent shall submit a plan for the operation and maintenance of the large-scale solar energy system, which shall include measures for maintaining safe access to the installation, stormwater controls, as well as general procedures for operational maintenance of the installation.

3.15.2.6 Utility Notification - No large-scale solar energy system shall be constructed until evidence has been given to the Planning Board that the utility company that operates the electrical grid where the system is to be located has been informed of the system owner's or operator's intent to install an interconnected customer-owned generator. Off-grid systems shall be exempt from this utility notification requirement.

3.15.2.7 Abandonment - Any large-scale solar energy system which has reached the end of its useful life or has been abandoned consistent with this Section 3.15.2.6 shall be removed. The owner or operator shall physically remove the system no more than 150 days after the date of discontinued operations. The owner or operator shall notify the Planning Board by certified mail of the proposed date of discontinued operations and plans for removal. For purposes of this Section 3.15.2.6 a large-scale solar energy system shall be considered abandoned when, absent notice to the Planning Board of a proposed date of decommissioning or written notice of extenuating circumstances, it fails to operate for more than one year without the written consent of the Planning Board.

3.15.2.8 Decommissioning - The decommissioning of a large-scale solar energy system shall include the physical removal of all structures, photovoltaic panels, equipment, security barriers and transmission lines from the site; the disposal of all solid and hazardous waste in accordance with local, state, and federal waste disposal regulations; and, the stabilization or re-vegetation of the site as necessary to minimize erosion. The Planning Board may allow the owner or operator to leave landscaping or designated below-grade foundations in order to minimize erosion and disruption to vegetation.

3.15.2.9 Right of Entry - If the owner or operator of a large-scale solar energy system fails to remove the installation in accordance with the requirements of Sections 3.15.2.6 or 3.15.2.7 herein, the Town may enter the property and physically remove the system.

3.15.2.10 Financial Surety - Proponents of large-scale solar energy systems shall provide a form of surety, either through escrow account, bond or otherwise, to cover the cost of removal in the event the town must remove the system and remediate the landscape, in an amount and form determined to be reasonable by the Planning Board. The project proponent shall submit a fully inclusive estimate of the costs associated with removal, prepared by a qualified engineer. The amount shall include a mechanism for calculating increased removal costs due to inflation. Such surety will not be required for town-owned or state-owned facilities.

or take any other action in relation thereto.

**ARTICLE 18**  
**CAPITAL IMPROVEMENT COMMITTEE**

**Section One: Establishment of Committee**

- (a) There shall be established a Capital Improvement Committee (hereinafter "Committee") which shall perform the duties set forth in the following sections of this By-Law and shall be governed by the provisions hereof.
- (b) The Committee shall consist of five (5) registered voters of the Town of Milford (hereinafter "Town"), none of whom is a Town employee or Town official (either elected or appointed), and shall be appointed as provided in Section Two. For purposes of this By-Law, no person shall be considered a Town official for serving as a Town Meeting Member or as a Constable or for performing any specific service authorized by Town Meeting.

**Section Two: Term of Service; Selection of Members; Vacancies**

- (a) Of the five (5) members of the Committee, two (2) shall be appointed by the Town Moderator and three (3) by the Board of Selectmen. Subject to the provisions below, members shall be appointed to terms of five (5) years.
- (b) Upon approval of the provisions of this By-Law, the two (2) most senior incumbent members of the Capital Planning Committee as previously in place, not otherwise in conflict with Section One (b) above, shall continue to serve. Such incumbents shall serve as appointees of the Moderator, one to have a term expiring on June 30, 1997 and the other on June 30, 1999, as the Moderator shall designate. If there are no such incumbents, the Moderator shall otherwise appoint or reappoint such eligible individuals to terms expiring as aforesaid.
- (c) The Board of Selectmen shall appoint three (3) members whose terms shall expire on June 30 of 1996, 1998, and 2000, and shall thereafter upon expiration of each term appoint or reappoint eligible individuals to five (5) year terms.
- (d) Whenever a vacancy occurs on the Committee, it shall be filled by the appointing authority that appointed the member whose position has become vacant. Any person appointed to fill a vacancy shall hold office for the unexpired term of the person succeeded.

**Section Three: Committee Resources; Officers & Governance; Compensation**

- (a) The Committee shall be allowed support staff and a budget suitable for staff compensation and general expenses, consistent with established Town policies for personnel and budgeting, subject to Town Meeting approval.
- (b) The Committee shall annually elect from among its members a Chairperson, and such other officers as it shall deem appropriate, and shall adopt such rules and regulations affecting its governance as may be deemed necessary.
- (c) Committee members shall serve without compensation.

#### **Section Four: Definitions**

- (a) For the purpose of this By-Law, a “Capital Improvement” is defined as:
- (1) any acquisition, disposition, lease, or transfer of and; or
  - (2) any acquisition, disposition, lease, or transfer of a motor vehicle; or
  - (3) any acquisition or lease of any single item of equipment, or group of similar or related items of equipment to be used for a common purpose, with a total cost of twenty thousand dollars (\$20,000) or more, and a substantial useful life as determined by the Committee; or
  - (4) any construction, reconstruction, replacement, extension, or other improvement of public buildings, highways, sidewalks, storm drains, sewerage installations, playgrounds, parks, or substantially similar public works, or for a facility, structure, or a utility appurtenant to any of the same, with a total costs of twenty thousand (\$20,000) dollars or more.
- (b) For the purpose of this By-Law, a “Capital Expenditure” is defined as any expenditure, financed in whole or in part by Town funds, for a Capital Improvement. However, this does not include Capital Improvements to be paid entirely with funds from departmental budgets.

#### **Section Five: Duties of Committee; Submittals & Deliverables; Town Meetings**

- (a) In making its determinations, the Committee shall consult with such officers of the Commonwealth of Massachusetts or of the Town and its various Boards, Commissions, or Committees, as in its discretion it shall deem appropriate and beneficial. The Committee may also consult with any other person, subject to the available funds in its budget, where it comes to hiring experts and expenses related to transportation or other logistics that may be associated with consulting persons outside of the government.
- (b) The Committee shall ascertain annually what Capital Expenditures will be required by the Town during the current fiscal year, plus the subsequent five (5) fiscal years. In addition, the Committee shall ascertain any potentially significant capital expenditures outside the scope of the aforementioned six (6) fiscal years. Department heads and chairpersons of all boards, commissions, and committees of the Town, whether elected or appointed, shall submit to the Committee, not later than February 15<sup>th</sup> of each year, recommendations and statements of needs and/or proposed plans involving capital expenditure requirements for the subsequent five (5) fiscal years and a Capital Improvement Worksheet for each capital project to be presented to Town Meeting within that current calendar year. The Town Administrator may act on behalf of any department head or chairperson.
- (c) In conjunction with the Finance Committee of the Town, the Committee, shall publish a report and shall include in such report its recommendations for the scheduling of capital expenditures including any advice for the scheduling or financing of such expenditures as in its judgment cannot or should not be paid for entirely from current revenues. The Committee shall assist the Town Meeting with regard to priorities of projects, financing

costs, impact of recommended projects to the operating budget, and other related matters, with any assistance from the Finance Committee of the Town that may be required.

- (d) No capital improvement shall be voted upon at any Town Meeting until it has been presented in written form to the Capital Improvement Committee for recommendation. As such, the Committee shall report to the Town Moderator at least two (2) weeks prior to any Town Meeting as to the overall status of all capital improvement articles requiring action by that Town Meeting. If, subsequent to said recommendation, a significant change is made to the scope of any capital improvement, as determined by the Committee, it shall be resubmitted to the Committee for reconsideration prior to Town Meeting action. Any capital request that has not been approved by Town Meeting within two (2) years of its original presentation to the Committee shall be presented to the Committee for reconsideration prior to re-submittal to any future Town Meeting.
- (e) The Committee shall compare all capital improvement proposals to the goals and policies of the most recent Comprehensive Plan for the Town as adopted by the Planning Board. The Committee shall report as to whether each proposed capital improvement is actionable, consistent, inconsistent, or not inconsistent, with said Comprehensive Plan as part of the Committee's evaluation process of Capital Improvement Worksheets and subsequent recommendations to Town Meeting.
